Notes

January 2027

Opportunities for Improvement Last Month

My biggest mistake/problem last month was:

How can I improve the situation? (Do I owe any amends?)

What have I learned from this situation? What will I do differently?

Success to Remember Last Month

My greatest achievement/satisfaction last month was:

Was this success temporary or permanent? How can I repeat it?

What have I learned from this success? To whom can I teach this lesson?
